Take the stress out of worrying about your furry family member, by having one of our doctors examine your pet when you are concerned. Make sure small concerns don't turn into major medical issues. Any time your pet is not feeling well, your exam fee is covered with this Wellness Plan Add-On, provided your pet can be seen during an available appointment time. Pets who need to be seen urgently, without waiting for an available appointment, will have the emergency appointment fee waived, but will be charged a regular exam fee.

Upgrade to Senior Wellness Panel for a one time fee of **\$62!**
A senior wellness panel is recommended for patients ages 7 and up.
