How to safely share the Thanksgiving holiday with your pets

Desserts

There are many safe desserts you can make specially for your furry family member! Please see our recipe suggestions on our website in the blog section, under the menu.
www.stoneycreekveterinary.com

AVOID:

Any kind of pie, ice cream, cookies, Sugar substitutes, any kind of chocolate

Safety

Check that any I.D. tags and microchips are accurate and updated in case pet gets out of the house
Wrap and dispose of turkey carcass and any unwanted leftovers and take out of house

Tips

Take a walk before dinner to burn off energy
Feed
pet before the meal
Create a safe space to escape the frenzy
Give a new toy to keep occupied
Ask guests
not to give table scraps

If your pet did indulge please call Keystone Veterinary Emergency and referral at (484)454-5412 or the West Chester Veterinary Medical Center at (610)890-4593.
